阿 B 日記

It is not important whether one is right or wrong, the most important point is to be tolerant, willing to be taken advantage of.

Brothers shouldn't have lawsuits among each others!

If right and wrong is not important, why does the Bible teaches us so many truths?

We should be able to tell right from wrong. We tolerate wrongs we are willing to be taken advantage of because we want to build up others.

應用

信心是神所賜的，所以你要切切懇求神給你更大的信心。信心經過試煉之後就比精金更加珍貴，這份信心也會更加的充足。因此在受試驗的期間、在我們還未對神失去信心之前，你就要好好地與神保持緊密的聯繫，免得魔鬼乘虛而入。
