阿 B 日記

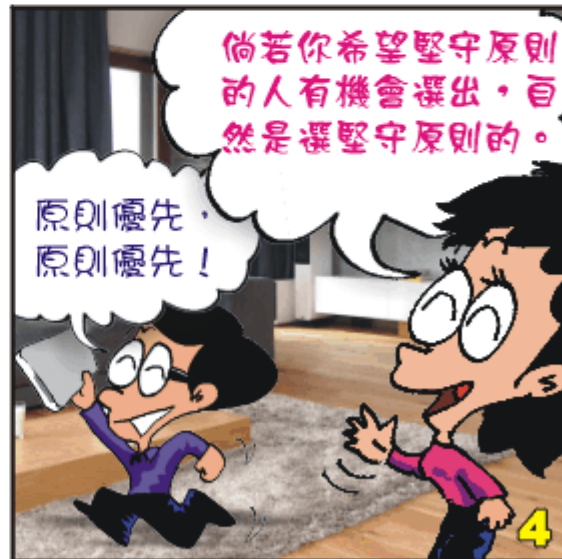

This nominee sticks to his principles, but his poll scores low and chance of winning is slim.

That nominee has a high score in poll and bigger chance to win, but his principles are unclear.

If you want to vote for the winner, naturally you should support the one who has a bigger chance to win.

If you want the one who sticks to his principle to have a chance to win, you vote for the one who sticks to principles. Vote for principles! Vote for principles!

信仰反省

保羅為什麼令以呂馬眼瞎？他是不能容納反對者？如果他們不抵擋以呂馬會對整個宣教計劃有甚麼影響？

他們為什麼開始只在會堂裡講道？為什麼後來他們宣告要轉向外邦人傳道？猶太信徒對此會有甚麼回應？
